Independent Auditor's Report

Governing Board Califa Group San Mateo, California

Report on the Financial Statements

We have audited the accompanying financial statements of the Califa Group (Group), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements. The prior year summarized comparative information has been derived from the Group's June 30, 2020, financial statements in which an unqualified opinion was expressed on those financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Governing Board Califa Group San Mateo, California

Page 2

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Group as of June 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 4, 2021 on our consideration of the Group's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Group's internal control over financial reporting and compliance.

1. PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES

Summary of Group

The Califa Group (Group) is a non-profit corporation as described in Section 501(c)(6) of the Internal Revenue Code and is exempt from federal and state income taxes. It was formed in November 6, 2003 that began operations on July 1, 2004, designed to provide member-enhanced, value-added services to all California libraries. On behalf of its members, Califa brokers and facilitates the delivery of products and services for those libraries. Califa sponsors statewide projects and receives substantially all of its funding from California libraries through membership fees with certain portions of its funding originating with the State and Federal government and private foundations.

Program and Supporting Services

Management and General – Includes the functions necessary to maintain an equitable employment program; ensure an adequate working environment; provide coordination and articulation of the Group's program strategy through the Executive Director; secure proper administrative functioning of the Board of Directors; maintain competent legal services for the program administration of the Group; and manage the financial and budgetary responsibilities of the Group.

Comparative Financial Information

The accompanying financial statements include certain prior-year summarized comparative information in total but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America (GAAP). Accordingly, such information should be read in conjunction with our audited financial statements for the year ended June 30, 2021, from which the summarized information was derived.

Cash, Cash Equivalents, and Restricted Cash

Cash and cash equivalents, and restricted cash consist of cash held in a checking account and certificate of deposits with Boston Private Bank & Trust Company and in an investment pool managed by the State of California named the Local Agency Investment Fund (LAIF).

Financial instruments that potentially expose the Group to concentrations of credit and market risk consist primarily of cash and certificate of deposits in Boston Private Bank & Trust Company and LAIF. Cash and certificate of deposits are maintained at high quality financial institutions and credit exposure is limited at any one institution. The Group has not experienced any losses on its cash equivalents. The Group's investments do not represent significant concentrations of market risk inasmuch as the Group's investment portfolio is adequately diversified among issuers, industries, and geographic regions through Boston Private Bank & Trust Company and LAIF.

We consider all cash and highly liquid financial instruments with original maturities of three months or less, which are neither held for nor restricted by donors for long-term purposes, to be cash and cash equivalents. Cash and highly liquid financial instruments restricted to building projects, endowments that are perpetual in nature, or other long-term purposes are excluded from this definition.

1. PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Cash, Cash Equivalents, and Restricted Cash, Continued

The following table provides a reconciliation of cash, cash equivalents, and restricted cash reported within the statements of financial position to the sum of the corresponding amounts within the statements of cash flows:

	June 30, 2021	June 30, 2020
Cash and cash equivalents - without donor restriction	\$ 11,086,415	\$ 11,172,479

Receivables and Credit Policies

Accounts receivable consist primarily of fees from member libraries. At June 30, 2021 and 2020, the amounts were \$804,379 and \$1,399,002, respectively.

Receivables from contracts with customers are reported as accounts receivable, net in the accompanying statement of financial position. Contract liabilities are reported as unearned revenue in the accompanying statements of financial position.

Property and Equipment

Purchased property and equipment are carried at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. It is the policy of the Group to capitalize property and equipment over \$500. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets. Expenditures for maintenance and repairs are charged to expense as incurred. Replacements and capital improvements are added to property and equipment.

We review the carrying values of property and equipment for impairment whenever events or circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. When considered impaired, an impairment loss is recognized to the extent carrying value exceeds the fair value of the asset. There were no indicators of asset impairment during the year ended June 30, 2021.

Investments

We record investment purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statements of financial position. Net investment return/(loss) is reported in the statements of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses.

1. PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for an operating reserve and board-designated endowment.

Revenue and Revenue Recognition

Contributions are recognized when a donor makes a promise to give to the Group, that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net position if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net position depending on the nature of the restrictions.

As presented in the Statement of Activities on Page 4, the primary source of revenue is received from the Federal Government and State of California with the detail grant classifications.

Contributed Services

Donated services are recognized as contributions in accordance with SFAS No. 116, Accounting for Contributions Received and Contributions Made, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Group. Many individuals volunteer their time and perform a variety of tasks that assist the Group in providing program services, administration and development, these services do not meet the criteria for recognition as contributed services as defined above.

Advertising Costs

Advertising costs are expensed as incurred, and \$0 and \$0 during the years ended June 30, 2021 and 2020, respectively.

Functional Allocation of Expenses

The costs of programs and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Income Taxes

The Group is organized as a California nonprofit public benefit corporation and has been recognized by the IRS as exempt from federal income taxes under IRC Section 501(a) as Groups described in IRC Section 501(c)(3), qualify for the charitable contribution deduction under IRC Sections 170(b)(1)(A)(vi) and (viii), and have been determined not to be private foundations under IRC Sections 509(a)(1) and (3), respectively. The Group is annually required to file a Return of Organization Exempt from Income Tax (Form 990) with the IRS. In addition, the Group is subject to income tax on net income that is derived from business activities that are unrelated to their exempt purposes. We have determined that the entity is not subject to unrelated business income tax and has not filed an Exempt Organization Business Income Tax Return (Form 990-T) with the IRS.

2. LIQUIDITY AND AVAILABILITY

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the date of the statement of financial position, comprise the following:

	В	alance as of
	June 30, 2021	
Cash and cash equivalents	\$	11,086,415
Accounts receivable		804,379
	\$	11,890,794

The Group's deposits and certificates of deposit are entirely covered by federal depository insurance (FDIC). The FDIC currently insures the first \$250,000 of the Group's Cash at each financial institution.

4. PROPERTY AND EQUIPMENT

Capital asset activity for the year ended June 30, 2021, was as follows:

	В	alance			Adjust	ments/	В	alance
	Jul	1, 2020	Ac	lditions	Retire	ments	Jun	30, 2021
Computers and Furniture	\$	15,928	\$		\$		\$	15,928
Total cost		15,928		-		_		15,928
Less: accumulated depreciation		(9,280)		(1,123)				(10,403)
Net book value	\$	8,085	\$	(1,123)	\$		\$	5,525

Depreciation was \$1,123 for the fiscal years ended June 30, 2021.

5. UNEARNED REVENUE

Amounts recorded to deferred revenue in the amount of \$6,060,448 consisted of balances related to income, reimbursements, grants, and deposits for the next fiscal year, which have not yet been earned.

6. NET ASSETS

Net assets consist of without donor restrictions. Without donor restrictions amounts reflect balances available for current operations of \$4,048,321.

7. OTHER UNRESTRICTED REVENUES - GOVERNMENT GRANTS

As presented in the Statement of Activities on Page 4, the primary source of revenue is received from the Federal Government and State of California with the detail grant classifications as follows:

Unrestricted Revenues:

Federal:	
California Revealed	1,312,191
eBooks for everybody	221,130
Racial Equity	163,656
IMLS DATA - Embedded Evaluation	33,336
Get Involved	38,587
IMLS Second Responders	64,740
Rural Gateways	8,000
IMLS Secondnet	10,000
FY 19/20 IMLS DATA - Embedded Evaluation	37,195
FY 19/20 Racial Equity - Unexpended funds refunded	(27,931)
Total Federal Grants:	1,860,905
Special:	
Broadband	2,692,899
Broadband Program Manager	1,583,089
Play Café	78,907
Califa -system operations	346,934
Total Special Grants:	4,701,829
Total Government Grants	\$6,562,734

8. CONTINGENT LIABILITIES

The Group's grants and contracts are subject to inspection and audit by the appropriate governmental funding agencies. The purpose is to determine whether program funds were used in accordance with their respective guidelines and regulations. The potential exists for disallowance of previously funded program costs. The ultimate liability, if any, which may result from these governmental audits cannot be reasonably estimated and, accordingly, the Group has no provision for the possible disallowance of program costs on their financial statements.

9. NEW PRONOUNCEMENTS

In September 2020, FASB issued ASU 2020-07 - Not-for-Profit (NFP) Entities (Topic 958), Presentation and Disclosures by NFP Entities for Contributed Nonfinancial Assets. The amendments in this Update apply to NFP that receive contributed nonfinancial assets. Contribution revenue may be presented in the financial statements using different terms (for example, gifts, donations, grants, gifts-in-kind, donated services, or other terms). The amendments address presentation and disclosure of contributed nonfinancial assets. The main provisions in this amendment require that a NFP (1) present contributed nonfinancial assets as a separate line item in the statement of activities, apart from contributions of cash and other financial assets. (2) Also, a NFP disclose a disaggregation of the amount of contributed nonfinancial assets recognized within the statement of activities by category that depicts the type of contributed nonfinancial assets. The impact of adopting this

9. NEW PRONOUNCEMENTS, Continued

guidance is reflected in the financial statements and did not have a significant impact on the financial statement disclosures.

FASB Accounting Standards Codification Topic 606, Revenue from Contracts with Customers, as amended, supersedes or replaces nearly all GAAP revenue recognition guidance. These standards establish a new contract and control-based revenue recognition model, changes the basis for deciding when revenue is recognized over time or at a point in time, and expands disclosures about revenue. The Group has implemented Topic 606 and has adjusted the presentation in these financial statements accordingly. The amendments have been applied retrospectively to all periods presented, with no effect on net assets.

In June 2019, FASB issued ASU 2018-08 – Not-for-Profit Entities (Topic 958), Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. This standard assists entities in evaluating whether transactions should be accounted for as contributions or exchange transactions and determining whether a contribution is conditional. The Group has implemented the provisions of ASU 2018-08 applicable to both contributions received and to contributions made in the accompanying financial statements under a modified prospective basis. Accordingly, there is no effect on net assets in connection with the implementation of ASU 2018-08.

10. SUBSEQUENT EVENTS

The COVID-19 pandemic, whose effects first became known in January 2021, is having a broad and negative impact on commerce and financial markets around the world. The United States and global markets experienced significant declines in value resulting from uncertainty caused by the pandemic. The Group is closely monitoring its investment portfolio and its liquidity and is actively working to minimize the impact of these declines. The extent of the impact of COVID-19 on the Group's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impacts on the Group's employees, and vendors, all of which at present, cannot be determined. Accordingly, the extent to which COVID-19 may impact the Group's financial position and changes in net position, fund balance and cash flows is uncertain, and the accompanying financial statements include no adjustments relating to the effects of this pandemic.

The accompanying notes to the Schedule of Expenditures of Federal Awards are an integral part of this supplementary information.

1. BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of the Group and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit requirements for Federal Awards (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in or used in the preparation of the financial statements.

2. DESCRIPTION OF MAJOR PROGRAMS

State Library Program (CFDA #45.310)

As authorized by the Library Services and Technology Act; Museum and Library Services Act of 1996, Title II, Public Law 104-208, to consolidate Federal library services programs; to stimulate excellence and promote access to learning and information resources in all types of libraries for individuals of all ages; to promote library services that provide all users access to information through State, regional, and international electronic networks; to provide linkages among and between libraries; and to promote targeted library services to people of diverse geographic, cultural, and socioeconomic backgrounds, to individuals with disabilities, and to people with limited functional literacy or information skills.

3. INDIRECT COST ELECTION

Califa has elected to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Governing Board Califa Group San Mateo, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Califa Group (Group), which comprise the consolidated statement of financial position as of June 30, 2021, and the related consolidated statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 4, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Group's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control. Accordingly, we do not express an opinion on the effectiveness of the Group's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Group's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

Independent Auditor's Report

Governing Board Califa Group San Mateo, California

Report on Compliance for Each Major Federal Program

We have audited the Califa Group's (Group) compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Group's major federal programs for the year ended June 30, 2021. The Group's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Group's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Group's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Group's compliance.

Opinion on Each Major Federal Program

In our opinion, the Group complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of the Group is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Group's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Group's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
